# 2021 SPONSORSHIP DONATION

Proceeds from 2021 Run For Our Lives will directly benefit Illinois Firefighter Peer Support

Illinois Firefighter Peer Support was founded so no fire service or emergency responder would have to go through pain or suffering alone. Everyday we put our lives on the line to save others — frequently putting our needs last — but as a community we've recognized we're stronger when we acknowledge our burdens and face them head on together. It takes a lot of courage to reach out for help — we've been there — and now we are here to answer that call.
